- c) where in any other case the part of the street in which the works are to be executed is carried or crossed by a bridge, to the bridge authority.
- d) to any person who has given notice under section 54 (advance notice of certain works) of his intention to execute street works which are likely to be affected by the works to which the licence relates, and
- e) to any other person having apparatus in the street which is likely to be affected by the works.

MIDDLESBROUGH COUNCIL
NEW ROADS AND STREET WORKS ACT 1991
SECTION 50 STREET WORKS LICENCE

PART 1 - NOTES FOR GUIDANCE FOR APPLICANTS

1. The person granted a Street Works Licence becomes an undertaker for the purposes of the New Roads and Street Works Act 1991 and therefore attracts the relevant duties and responsibilities imposed by the Act and associated Secondary Legislation and codes of Practice. (NB Those applicants not familiar with the requirements of this legislation are strongly advised to appoint a contractor with the appropriate knowledge and accreditation to help complete the application and conduct the works on their behalf. contractors without appropriate knowledge and accreditation will not be permitted to work highway)
2. Financial penalties may arise to the licence holder for non-compliance with the relevant statutory duties or licence conditions, Applicants should note that this liability cannot be delegated to any other person or organisation.
3. The requirement to obtain a Street Works Licence applies to any person or organisation (other than anyone acting under a statutory right) who wishes to place, retain and thereafter inspect, maintain, adjust, repair, alter or renew apparatus or change its position or remove it from the highway.
4. The term apparatus includes drains, cables, ducts, sewer pipes, water and gas pipes etc both under, over, across, along or upon the highway.
5. A Street Works Licence to place apparatus or consent to work on existing apparatus in the highway will only be granted to the owners(s) of apparatus or their Successor in Title. Owners should note their Statutory duty to secure that the apparatus is properly maintained at times.
6. In order for the Street Authority to comply with its statutory duty, all applications must be submitted at least ONE MONTH in advance of commencement of the proposed works. A shorter period may be agreed by the Street Authority in conjunction with the other undertakers likely to be affected. The application form must be signed by the owners of the existing or proposed apparatus.
7. Applicants should note that: - Special conditions may be imposed by the Street Authority:
 - a) In the interests of safety.
 - b) To minimise the inconvenience to persons using the Street, having regard to people with a disability in particular.
 - c) For Traffic Sensitive Streets, Street with Special Engineer Difficulties and Protected Streets, and to protect the structure of the street and the integrity of the apparatus in it.**NB** The applicant must strictly adhere to these conditions.
8. The Duty of care: controlled Waste Transfer Note must be completed where any waste from the excavation has to be disposed of. A copy of the completed form must be retained by the Licence Holder with a copy given to the person accepting the waste.
9. The licensee must give the required advance notice of the intended starting date to the Street Authority using Form Notice Of Works Including Responses
10. The licensee must permit the Street Authority to monitor his or his contractor's performance throughout all stages of street works. These are: -
 - a) signing, guarding and excavation
 - b) signing, guarding and reinstatement
 - c) immediately after permanent reinstatement
 - d) between 6 and 9 months after permanent reinstatement, and
 - e) during the one month preceding the end of the guarantee period (this period will begin from the date the Street Authority is notified of the permanent reinstatement and will be for two years for excavations up to 1.5m deep and three years for deeper.
11. The licensee must inform the Street Authority of the completion of the reinstatement by the end of the following working day, stating whether it is interim or permanent. If an interim reinstatement is carried out this must be made permanent within six months.

12. The licensee must complete and submit Form Notice Of Works Including Responses to the Street Authority within seven days of completion of the works and clearing the site.
13. Where the apparatus in respect of which an application for a Street Works Licence is made to the Street Authority is to be placed or retained on a line crossing the street and not along the line of the street, a person aggrieved by: -
 - a) the refusal of the Authority to grant him a licence
 - b) their refusal to grant a licence except on terms prohibiting its assignment or
 - c) any terms or conditions of the licence granted to him may appear to the Secretary of State
14. Prior to issue of the licence, Form SWL4 must be circulated to all Statutory undertakers to identify whether their apparatus will be affected by the proposed works. The circulation will be undertaken by the licensee.

15. **NEW APPARATUS**

Form SWL2 must be completed by the applicant for authorisation to place and retain apparatus in the highway, and this must be submitted to the Street Authority with;

- a) Proof of Public Liability Insurance. This must indemnify the Street Authority against any claim in respect of injury, damage or loss arising from the works and provide a minimum £5,000,000 cover, and be maintained from commencement of the works on the highway up to completion and acceptance by the Street Authority of the permanent reinstatement. Ongoing indemnity must be provided for the Street Authority by the licensee against any claim in respect of injury, damage or loss arising out of the presence in the street of apparatus to which the licence relates, or the execution of any works authorised by the licence.
- b) Payment in advance of:
£148 Administration Fee (non-returnable)
£167 Capitalised Fee in lieu of annual charge
£121 Inspection Fee for each 200m length of opening of part thereof
- c) Completed Declaration Form SWL4 in advance (Statutory undertakers Declaration/Responses).

16. **DEFECTS**

In the event of a defective reinstatement, an additional fee of £121 per inspection (max 3) for each 200m length will be charged in respect of additional inspections to correct that defect.

**Street Works Licence Application for Conducting Work on NEW Apparatus in the Highway,
Section 50, New Roads and Street Works Act 1991**

(NB Those applicants not familiar with the requirements of this legislation are strongly advised to appoint a contractor with the appropriate knowledge and accreditation to help complete this application and to conduct the works on their behalf). Non-compliance with any requirement of the New Roads and Street Works Act 1991 may result in severe financial penalties.
